

PCARA Update

Volume 1, Issue 1

March 14th, 2000

Welcome!!

On behalf of all the members of the PCARA, we would like to welcome you to the first issue of the Update! We have some great plans for the club in the works, including:

- Incorporating as a non-profit, tax-exempt organization.
- Registering for a club station call sign.
- Fundraising
- Upgrading our equipment to include autopatch.
- Marketing our club as a community service organization.

We have set ambitious goals for getting the above done, and in order to meet these goals we will need the help of our members. Positions that need to be filled as soon as possible include:

- Fundraising Coordinator
- Public Service Coordinator

Please let us know if you are able to offer help in any way as we work to make our club the best it can be! Also, please take a moment to look over the Club Roster on page 2 and let us know who we are missing.
